## PROFILE

Patient, enthusiastic and curious junior JavaScript developer with an affinity for design and user experience.

I am a strong communicator with experience in public speaking and facilitation of multicultural debates on human rights.

I enjoy problem solving when coding and I am looking for an opportunity to strengthen my JavaScript stack expertise, grow professionally and contribute to a motivated team in an environment that fosters collaboration, tolerance and open discussions.

## EDUCATION

### Full Stack Web Development

SPICED ACADEMY, BERLIN  
September 2019 - December 2019

### TELC Certification in German Language B2

ANCANA SPRACHSCHULE, BERLIN  
May 2019 - July 2019

### Basic JavaScript Programming

January 2019 - May 2019

### MA in Intercultural Cooperation and Development

UNIVERSITY OF TRIESTE, TRIESTE (ITALY)  
April 2012 - July 2014

### BA in Translation

UNIVERSITY OF TRIESTE, TRIESTE (ITALY)  
November 2007 - February 2012

## SKILLS

- **Programming:** JavaScript/ES6, Node.js, HTML5, CSS3
- **Frameworks/Tools/Libs:** Express, React, Redux, Vue.js, jQuery, Handlebars
- **Database:** PostgreSQL
- **Testing:** Jest
- **Development:** Git, Github
- **Cloud Tech:** Heroku, AWS
- **Soft skills:** Communication, teamwork, decision making, flexibility/adaptability
- **Languages:** Croatian (Native Proficiency), English/Italian (Full Professional Proficiency), German/Spanish (Limited Working Proficiency)

## PROJECTS

### Social Network (React, Node.js, PostgreSQL, Socket.IO)

Successfully architected a React-based authenticated mentorship platform for womxn developers with friending and chat functionality.

### Image | Board (Vue.js, Node.js/Express, PostgreSQL)

Effectively built a fully responsive single-page application with Vue.js where users can post an image, add a title, description and comment images.

### Petition (Handlebars, Node.js/Express, PostgreSQL)

Independently architected a Heroku deployed app providing users the opportunity to generate their signatures using Canvas for a more entertaining and engaging user experience, edit their profile information and view a list of fellow signers sorted by location.

## EXPERIENCE

### Mov(i)e Activism Film Festival | Berlin | 2015 - Present

Founder | Program Coordinator

- Creating a program by selecting from a wide pool of international activist documentaries, developing side program by successfully cooperating with different local and international initiatives/NGOs, activists and filmmakers, improving WordPress for website updates and maintenance, efficiently developing digital and traditional marketing strategies.

### Arvato Bertelsmann (Facebook Project) | Berlin | 2016 - 2019

Content Moderator | Customer Support

- Screening, monitoring, and approving user generated content in compliance with the Community Standards with the highest performance rate as a harmonious member of an international team. Developing and refining clients' policies resulting in reducing misleading/offensive posts.

### Art Kino Croatia | Rijeka (Croatia) | 2015 - 2016

Freelance Translator

- Translating partnership project proposals for a network of independent cinemas, including the application from Rijeka, for the European Capital of Culture Award, which was successfully granted in 2020.
